WHAT IS YOUR PITCH TO VOTERS? WHY SHOULD THEY VOTE FOR YOU?

Previously held position of Service Manger Natural Landscapes and Health with QPRC, commencing employment with QCC in 1989. Understands the operations of Council and the need of significant reform. Believes that cost of living, and resilience are the top priorities for ratepayers. The council must enhance resilience regarding its finances, infrastructure, community preparedness, and the natural environment. The council has wasted resources and overlooked opportunities, with many areas ripe for audit and evaluation. The council should identify savings and explore regional opportunities for shared resources where possible.
